RE: 2008 Pool Registration

The 2008 Pool Season is almost here. Therefore, we will begin accepting pool registration forms from residents in good standing.

You will be required to handle your registration through the mail. Therefore, it is extremely important that you

DO NOT WAIT UNTIL THE DAY BEFORE YOU PLAN TO USE THE POOL TO REGISTER.

To obtain pool I.D. tags you must complete this form completely and return the bottom portion. Each household will receive **two (2) tags free of charge**. Each household may bring up to 4 guests/children on their tags. If additional tags are needed, please include a **check or money order for \$1.00 per additional tag. ** NO CASH ACCEPTED ****

Remember, pool tags cannot be issued if you have a balance on your account. **NO WALK IN POOL I.D.'s WILL BE ISSUED.**

Below you will find a Pool Validation Certificate, which will be required for registration. Please do not misplace this form. You will not receive pool tags without this Certificate.

Several residents have expressed an interest in private pool parties. If you are interested, please contact Poseidon Pools (281-338-7665).

Only property owners are receiving the Pool Validation Certificate therefore, please insure your renters receive this in order that they are able to obtain pool tags for this pool season.

The Association hopes you will have a great fun filled summer!
